

**Review of Teaching
Post-Observation Reflection**

Instructor: _____

Course: _____

Date: _____

Observer: _____

Was this a typical class session? How was it the same? Different?

What instructional strengths did you demonstrate in this class session?

What changes (if any) would you make in the way you conducted this class session if it was repeated?

How do you plan to assess the effectiveness of these changes?

What feedback and/or support would you like to have as a result of this peer evaluation?
